

# The Urban Plus Range Hinged Door

**CAPRAL**  
ALUMINIUM

**urbanplus**

The Hinged Door system is the ideal option for decks, balconies and entertainment areas, due to its wide opening access and ease of operation. Doors can be manufactured as either single or two door configurations and can be integrated with insert of security screening. Included are high quality lever handles and locks that can be keyed to match the rest of your home.

## The Urban Plus Hinged Door

The Urban Plus Hinged Door features a substantial 125mm framing system to provide the strength and performance required in high-end architectural applications.

The Urban Plus Hinged Door system offers a multitude of design options from single open-in or open-out doors, to fully and semi-glazed variants and even solid panelised options.

The Urban Plus Hinged Door system features smooth flat sash profiles with an integrated bead line and rounded nose to achieve a modern yet classic appearance. This same feature is carried through the Urban Plus awning and casement window system to deliver a unified aesthetic throughout the range. Capable of accommodating large high performance double glazing, enhanced thermal comfort and performance can also be easily achieved.
